YouSafe™ One | SOLAS

MODEL
VIKING YouSafe™ One

VIKING YouSafe™ One

The VIKING YouSafe™ One combines quality, comfort and great in-water performance. This lifejacket is perfect as an abandonment jacket for offshore platforms or as an alternative to foam-type lifejackets across multiple maritime applications.

- Lightweight and minimalist design
- Available with 180 N and 275 N buoyancy (with sprayhood)
- Perfect as an abandonment jacket

VIKING YouSafe™ One, Inflatable Lifejacket, SOLAS
